| Assignment Name: AddCoins | | | | | | | | | | |
| | | | | | | | | | | |
| How has your program changed from planning to coding to now? Please explain? | | | | | | | | | | |
| It went exactly how i thought about it in my head except the only thing different was i used a string method for the total amount instead of an int method | | | | | | | | | | |
